

The Community State Bank

A message from Larry Spradley, President/ CEO

March 19, 2020

The Community State Bank continues to monitor the ever-changing developments of the COVID-19 (Coronavirus) while working to provide the best possible service. We understand that the coming weeks may be difficult for many of our customers and we are prepared to help.

We are offering our customers the option to pay only the interest portion of their regularly scheduled loan payments for the next 30 days. This option will be available for all existing loans with the exception of a limited number of business loans with certain payment restrictions. Our hope is that these temporary payment reductions provide needed relief for customers facing financial uncertainty.

The Community State Bank is committed to helping customers and the community during this difficult time. Please feel free to contact your loan officer directly for more details. You may reach us at 918-647-8101 or 800-362-0171.

Sincerely,

Larry Spradley
